

A photograph of a modern outdoor lounge set. The set includes a long, low-profile sofa with light-colored cushions and a dark wood base. In front of the sofa are several small, white, round side tables and a larger, dark wood coffee table. The furniture is positioned on a light-colored, flat surface. In the background, there is a building with a red brick facade and large, dark-framed windows. The sky is a clear, deep blue.
