design David Lopez Quincoces

Armchair and sofas with backrest and seat frame in poplar and pine plywood with polyurethane foam padding with cover in polyester fibre with needle treatment and resin finish, bonded to a polyamide velveteen backing and suspension system with cross-woven elastic straps in coated rubber. Backrest cushion in differentiated density polyurethane foam, covered with a mattress pad filled with pre-washed and sterilized goose down, stitched into separate compartments, featuring a support panel in poplar and pine plywood fixed to the backrest frame using snap pins.
Full seat cushion, with topstitching, in differentiated density polyurethane foam, covered with mattress pad filled with pre-washed and sterilized goose down, stitched into separate compartments, and secured to the structural cover with zipper.

Upholstery always fixed in leather, or fully removable fabric covers using zippers and Velcro fastenings. Adjustable matt black steel feet and floor support provided by plastic tips.
Armchair also available with swivel base.
Seat depth: Armchair 56 cm;
Sofas 62 cm.
