

The image shows a serene, minimalist bedroom. On the right, a bed with a white headboard is dressed in light-colored bedding and several pillows. Above the headboard hangs a large, dark, textured artwork. To the left of the bed is a small, light-colored wooden side table. Further left, a built-in bathtub is visible, featuring a gold faucet and a dark-framed window. The room has a clean, modern aesthetic with neutral tones and natural materials.
