WEBOOK

Perfezione, armonia nelle proporzioni ed un senso di eleganza silenziosa sono il segno di riconoscimento di Living Divani, dinamica azienda a conduzione familiare che ha fatto dell'imbottito il suo trademark sviluppando negli anni un'offerta articolata, che intorno a sistemi imbottiti dalle forme e volumetrie discrete, abbina complementi dal segno più forte che si adattano e definiscono ogni spazio, da quello più essenziale e rigoroso, a quello più eclettico e decorativo. Da una pagina all'altra, Webook traccia un viaggio trasversale nella storia e nella produzione Living Divani: immagini pure e nitide, che comunicano a prima vista lo straordinario savoir-faire del brand, sono seguite da un pratico abaco per tipologia che mostra una selezione dei prodotti a collezione facilitando la scelta del proprio arredo.

Perfect, harmonious proportions and a feeling of silent elegance are the distinguishing features of Living Divani, the dynamic family-owned Company that has made its trademark of upholstery, developing a vast and varied offer that around upholstery systems, defined by discreet outlines, combines characterful complements that adapt and define any setting, from the essential and rigorous to the multifarious and eclectic décor. From one page to the next, Webook traces a transversal journey through the history and production of Living Divani: pure and essential images, which communicate the extraordinary savoir-faire of the brand, are accompanied by a practical "abacus by category" that proposes a selection of the products in the collection at a glance, facilitating the choice of your piece of furniture.

HISTORY

Nata alla fine degli anni 60, l'azienda ha tracciato nel tempo un percorso preciso, instaurando un intenso dialogo con la contemporaneità e diventando uno dei punti di riferimento nel panorama del design. Strategica è la collaborazione con Piero Lissoni che dal 1988, nel duplice ruolo di art director e designer, ne orchestra lo stile unico, e che negli anni è stato affiancato sia da designer dal calibro internazionale, che con l'azienda condividono il tratto e l'approccio progettuale, così come sono stati inseriti a collezione progetti di giovani talenti scoperti attraverso un puntuale lavoro di talent scouting tra le nuove leve del design. Importante riconoscimento del percorso di eccellenza di Living Divani la partecipazione ad Altagamma, fondazione che riunisce le imprese italiane di reputazione internazionale che operano nella fascia più alta di mercato. Da settembre 2020, Living Divani Gallery costituisce l'avamposto milanese del marchio, progettata da Piero Lissoni come uno stage teatrale dove rappresentare le infinite sfaccettature dello stile del brand e che nel 2021 si amplia con nuove aree espositive che si sviluppano in continuità in un sorprendente mix stilistico capace di incantare per la perfetta armonia.

Born in the late 1960s, the Company has followed a clear path, maintaining an intensive dialogue with the contemporary world and becoming one of the landmarks in the design landscape. Strategic is the alliance with Piero Lissoni who, since 1988, has led the firm's unique style in his dual role as art director and designer. Together with the architect, Living Divani has gradually involved both designers of international calibre, who all share the Company's style and approach to design, as well as projects of young talents, discovered through a work of talent scouting among the new generation of design. Significant acknowledgement of the path of excellence of Living Divani is the entry in Altagamma, the foundation that gathers Italian companies of international repute, which operate at the top end of the market. Since September 2020, Living Divani Gallery is the brand's Milanese outpost, designed by Piero Lissoni as a theatrical stage where to represent the thousand facets of Living Divani's style, which further expanded in 2021 featuring new exhibition areas that develop in continuity while experimenting with new languages, in a surprising stylistic mix capable of enchanting for the perfect harmony.

MANUFACTURE & MATERIALS

I prodotti della collezione Living Divani sono frutto del perfetto equilibrio tra capacità artigianale, produzione industriale, expertise manuale ed innovazione tecnologica. Esperienza maturata negli anni, sinergie distrettuali e un rapporto privilegiato con forme e materia consentono all'azienda di gestire perfettamente le complessità di ogni creazione, in un processo di costante dialogo tra le varie fasi produttive. Silhouettes essenziali e spirito sartoriale definiscono i codici della collezione Living Divani. Materiali naturali come cuoio, pelle e corda, intrecciati o trapuntati con sapiente artigianalità, vengono accostati a tessuti dal carattere raffinato. Finiture sofisticate come Stone Oak®, frassino e noce si alternano alle venature e ai colori delle più originali varietà di marmo, tra cui l'elegante Sahara Noir e lo screziato Forest Green.

The products included in the Living Divani's collection are the result of the perfect balance between craftsmanship, industrial production, manual expertise and technological innovation. Experience gained over the years, synergies within the design district and a privileged relationship with shapes and materials allow the Company to perfectly manage the complexities of each creation, in a process of constant dialogue between the different production phases. Essential silhouettes and bespoke spirit define the Living Divani collection. Natural materials such as hide, leather and rope skilfully interwoven or quilted, are combined with fabrics of refined character. Sophisticated finishes such as Stone Oak®, ash and walnut alternate with the veining patterns and color of the most original marble varieties including the elegant Sahara Noir and the marbled Forest Green.
