LIVING
D I V A N I

Living Divani @ MDW 2026

We would like to thank you for sharing with us the energy and creativity of

Milano Design Week 2026.

It was a pleasure to welcome you in **our stand** at Salone del Mobile.Milano and in the spaces of **Living Divani Gallery**, during an intense week characterized by meetings, inspirations, and new dialogues.

A valuable opportunity to present 2026 new proposals—an expression of an ever-evolving research, where design languages and contemporary sensibilities meet and transform.

We look forward to seeing you again soon!
